ICSSPE: Make the Difference!

FROM: Isolation

TO: Cooperation

We need to foster multi-agency, multi-disciplinary partnerships.

FROM: Competing agendas

TO: A common vision

“When people come together around common vision, they can accomplish great things. We need the instruments that pull our people together, not apart.” (N. Thompson)

FROM: Policy-led evidence

TO: Evidence-led policy

The Clearinghouse and Observatory could change the game IF they are properly funded, fully supported, and independent!

FROM: Discussion

TO: Action

“A little less conversation, a little more action!” (Elvis)

A light gray world map is centered in the background of the slide. The map shows the outlines of continents and major landmasses. On the left side of the slide, there is a solid blue vertical bar. At the bottom left, there is a white area containing the ICSSPE logo.
